Monetary benefits (Please refer to Schedule A)

Monetary benefits include trading profits made by the Retail Banking division and rebates receivable from product issuers of distribution fees, initial charges, redemption fees, conversion fees, maintenance fees, servicing fees, contingent deferred sales charges, management fees, etc. The types of investment product(s) or services and typical benefit(s) received by the Retail Banking division for each type of investment product or service are set out in the attached Schedule A. Other divisions of the Bank and members of the HSBC Group may make trading profits and receive benefits from the origination, issuance, distribution and/or sale of these investment products which the Retail Banking division may not be aware of – such trading profits and benefits are not specifically described in Schedule A.

Non-monetary benefits

We may also receive and retain from counterparties, brokers, agents or other companies within the HSBC Group non-cash benefits such as research and advisory services, economic, political and/or market analysis or data and quotation services. or we may enter into commission sharing arrangements with such parties in respect of (a) any trades or transactions effected for or with you or (b) any hedges effected by us in connection with such trades or transactions or (c) services provided for you in our capacity as principal (for over-the-counter transactions), agent (for exchange traded products or funds), as custodian or as nominee.

Schedule A – Benefits

Types of investment products	Products	Typical levels of benefit(s) received by the Retail Banking division
Fund products and other collective investment schemes	Open Ended Unit Trust, Liquid Alternatives, Closed ended funds etc.	<ul style="list-style-type: none"> Up to the full amount of subscription/redemption charges paid by Customers (e.g. initial charges, contingent deferred sales charges, etc.) and/or any other fees (e.g. distribution fees) based on the nominal amount of the trade as set out in the offering documents of the fund/scheme products. A percentage of the annual management fee charged by the fund/scheme as set out in the offering document.
Debt securities	Certificates of deposit, bonds, notes, etc.	Up to 1% (including rebates) of the nominal amount of the trade for primary issues. Up to 2.5% of the nominal amount of the trade for secondary issues.
Structured Investment Products	Structured Notes and Structured Deposits	Capped at 5% absolute margin
