Statement period	Total Due 4,100.00	Minimum Payment	Payment Due Date
05 MAY 2024 to 04 JUN 2024		140.00	24 Jun 2024

Please examine this statement immediately. Transaction details are now printed on both sides of the statement. If no discrepancy is reported within 14 days from the statement date, the account will be considered as correct.

Please settle this statement promptly. If the minimum payment is not received by the due date, a late payment charge will be charged to your card account. In addition, if payment is not made in full by the due date, finance charges will be levied on your card account. This will be calculated on a daily basis on the outstanding balance in this current statement and on all new purchase and cash transactions from the transaction date until the full payment is received.

Statement period	Total Due 4,100.00	Minimum Payment	Payment Due Date
05 MAY 2024 to 04 JUN 2024		140.00	24 Jun 2024

Please examine this statement immediately. Transaction details are now printed on both sides of the statement. If no discrepancy is reported within 14 days from the statement date, the account will be considered as correct.

Please settle this statement promptly. If the minimum payment is not received by the due date, a late payment charge will be charged to your card account. In addition, if payment is not made in full by the due date, finance charges will be levied on your card account. This will be calculated on a daily basis on the outstanding balance in this current statement and on all new purchase and cash transactions from the transaction date until the full payment is received.
