"Rebate" shall refer to the cash rebate credited to the Eligible Cardholder's relevant HSBC Card account in accordance with the terms of this Programme which may be used to offset the Eligible Cardholder's future HSBC Card account debits and cannot be transferred, withdrawn as cash or used to offset payments such as fund transfers, tax payments, financial charges, late charges, fees and other outstanding balances.
9. Eligible Cardholders will, subject to eligibility, receive a 5% Rebate on Eligible Purchases made with Groceries Merchants, Petrol Merchants and/or Dining Merchants (each such category of Eligible Purchases, a "Rebate Category").
 - a. Subject to Clause 9b below, to be eligible to receive the Rebate, each Eligible Cardholder will need to charge a minimum amount of S\$600 in Eligible Purchases per month for all 3 months in any given Quarter (as defined in Clause 10 below) on his/her HSBC Card, excluding any transactions that are subsequently cancelled, voided, disputed or reversed for any reason.

If an Eligible Cardholder was issued with a HSBC Card during any Quarter which falls within the Programme Period, the minimum spend requirements set out under Clause 9a above would not apply in respect of that Quarter. For the avoidance of doubt, the minimum spend requirements set out under Clause 9a above would apply in respect of any subsequent Quarters.

10. All Eligible Purchases made will have to be posted within 21 days from the relevant transaction date into HSBC's credit card systems for purposes of being calculated towards the relevant minimum spend requirements under Clause 9a or 9b (as the case may be). 12. For the purpose of determining whether an Eligible Cardholder has fulfilled the relevant minimum spend requirements under Clause 9a or 9b (as the case may be), any Eligible Purchases made by the Eligible Cardholder and his/her corresponding supplementary cardholder(s) under the same HSBC Card account will be consolidated under the primary HSBC Card account.
