

Performing FX and getting rewarded for it?

With Forex Club, you can. The more you exchange, the better the pricing!

With this multi-tiered pricing programme you can get up to 40% off FX markup margins based on the FX transaction amount performed within the transactional period.

Enjoy discounts on FX conversions when you transfer within your Everyday Global Accounts, Global Money Transfers, and place time deposit on mobile with HSBC Forex Club.

Here's how you can do it via HSBC Singapore App.

1. Select "Foreign exchange" and click here to see the Forex Club details.
2. Click here to see your current tier status.
3. You can click here to see Forex Club details too. You may also view the accumulated FX amounts in different currencies. To do so, click here to change the viewing currency. Choose from a selection of up to 11 currencies.
4. Select the currencies and key in the amount you wish to convert.

Note: Look out for your entitled FX discount and amount saved depending on the amount you transact as well as your current accumulated FX transactions.

5. Click Continue to confirm your transaction

#### Disclaimers

Investments involve risks. This material is for information only and not to be relied on for any investment or advisory purposes. It isn't and shouldn't be construed as an offer, recommendation or the solicitation by HSBC Bank (Singapore) Limited of an offer, to enter into any buy/sell transaction or adopt any hedging or trading strategy relating to, any investment. The specific investment objectives, personal situation and particular needs of any person haven't been taken into consideration. Before you make any investment decision, you may wish to seek advice from a financial adviser. If you choose not to do so, you should consider whether the investment is suitable for you.

Foreign currency conversions are subject to fluctuations of foreign exchange rates. Such rate fluctuation may result in capital gains or losses. Certain foreign currencies are subject to exchange controls which may affect the convertibility or transferability of that currency.
