

HSBC Bank (Singapore) Limited Property Loan Standard Terms

About this Agreement

The terms and conditions of your facility are set out in the facility letter and in these standard terms. They should be read together.

Key Words

The meaning of words printed *like this* and of some other common key words is explained at the end of these standard terms.

Using the Facilities

1 General Conditions

1.1. We require you to:

- a) have an account with us (this must be opened at least two weeks before you request your first drawdown). If you have a *SmartMortgage facility*, you must have a *SmartMortgage account*;
- b) give us reasonable notice of the timing of any drawing;
- c) comply with any drawdown requirements specified in the facility letter and any other drawdown requirements we specify from time to time; and
- d) complete a request for drawing in any form we require.

1.2. We need not provide any drawing if:

- a) either the *property* or its title is not acceptable to us. (For example, the *property* must be in a state and condition acceptable to us); or
- b) the *availability period* has expired; or
- c) you are, or a *third party security provider* is, in default or in our reasonable opinion is likely to be in default under an *arrangement with us*.

1.3. You may use a facility only for the purpose specified in the facility letter for that facility.

1.4. Unless the terms of the *facility letter* provide otherwise, no drawing under the *facility* can be made unless we are provided with evidence that the balance of the purchase price (apart from the amount to be made available from the *facility*) has been paid in full.

2 Specific Conditions

Where there are multiple drawings, a drawing is only provided on production of:

- a) a copy of an architect's certificate certifying the stage of construction of the *property* in form and substance satisfactory to us; or
- b) a certified true copy of the *temporary occupation permit*; or
- c) a certified true copy of the Certificate of Statutory Completion for the *property*; or
- d) evidence that title to the *property* has been issued.

Interest

3.1 You agree to pay interest for each facility for each day. Interest for a facility for a day is calculated at the daily interest rate for that facility on the *balance owing* for that facility for the end of that day.

3.2 The daily interest rate for a facility is the facility's interest rate for that day divided by 365.

3.3 We may vary the *interest rate* at any time with notice to you unless the facility letter states that the *interest rate* is fixed at that time.

3.4 If your interest rate is pegged to a reference rate such as SIBOR or SORA and such reference rate falls below zero at any relevant time, the reference rate shall be deemed to be zero or such other rate as notified to you by us as soon as practicable.

3.5 If your interest rate is pegged to a reference rate such as SIBOR or SORA and (a) such reference rate becomes unavailable at any relevant time or (b) it is no longer feasible for us to continue providing the facility for the rest of the term based on such reference rate due to factors such as (but not limited to) cost of borrowing, internal business costs and/or market conditions, we will, with at least 30 days prior notice to you, vary the interest rate. We will do so by changing the reference rate to another reference rate, changing the floor rate and/or changing the spread and the new interest rate will take effect from the time we specify in the notice. You shall have the option (which you may exercise only once) to convert your Property Loan package to another HSBC Property Loan package for which you are eligible, without incurring any fees or charges.

- 3.6 Interest for a drawing accrues daily from and including its *drawdown date*. (A *drawdown date* occurs immediately on our release of funds, whether or not, at that time, it has been actually applied towards payment of the purchase price or refinancing of any existing *Property Loan*. (For example, when funds are released to our lawyer to make payment of the purchase price or refinance any existing *Property Loan* or when funds are released in the manner required by *HDB*). A *drawdown date* also occurs on the date a facility is converted to another facility.)

SmartMortgage Facilities

Clauses 4 and 5 only apply if you have a *SmartMortgage facility*.

4 SmartMortgage Accounts

- 4.1 You agree to maintain your *SmartMortgage account* in your name only, which is a *transaction account*, to service your *SmartMortgage facility*. A *transaction account* may relate to only one *SmartMortgage facility*.
- 4.2 You agree to ensure that the *transaction account* is not overdrawn.
- 4.3 We may close the *transaction account* if:
- you ask us to stop crediting the *SmartMortgage interest credit* to that *transaction account*; or
 - the total amount owing under the *SmartMortgage facility* is repaid in full.

We pay to you any credit in the *transaction account* we close by either transferring it to any other account you have with us or sending you a cashier's order.

5 SmartMortgage Interest Credit

- 5.1 We will apply *SmartMortgage interest credits* to the *transaction account* in any manner or order we choose. We do this in arrears on the first day of each month. Whilst the amount of the *SmartMortgage interest credit* (if any) does not appear on your *transaction account* statement, we provide you with a separate monthly advice detailing the amount.
- However, if you wish to change your *transaction account* during the month, you will only enjoy *SmartMortgage interest credits* to your new *transaction account* starting from the date of effective change and we will not apply *SmartMortgage interest credits* to your existing *transaction account* for the period prior to the date of effective change.
- 5.2 You are not entitled to a *SmartMortgage interest credit* during the period where you are serving notice of redemption. If notice of redemption is subsequently withdrawn, the *SmartMortgage interest credit* will recommence and continue from the date we receive your withdrawal of redemption notice. You are also not entitled to a *SmartMortgage interest credit* in respect of a month if there is no principal outstanding under the *SmartMortgage facility* at any time during that month.
- 5.3 *SmartMortgage interest credits* may be used only towards repaying the *SmartMortgage facility*. (They are not available to you for withdrawal.)
- 5.4 We may vary the method of calculating the *SmartMortgage interest credit* with at least 30 days prior notice unless the variation does not impact your payment obligations in any way.
- 5.5 If tax is payable on any *SmartMortgage interest credit*, you agree to pay it. If we are required to withhold tax from any *SmartMortgage interest credit*, the *SmartMortgage interest credit* is reduced by the amount of the tax to be withheld.

Early Repayment

Clauses 6 and 7 do not apply to Overdrafts.

If an early repayment occurs during the period for which an interest rate is fixed, you may also be required to pay us break costs (see "Break costs" below).

Partial repayment is not allowed where notice for full repayment has been given to the Bank.

The notice period required in clauses 6 and 7 below commences from the later of the notice date or the first *drawdown date*.

6 Partial Repayment

In addition to any provision in the facility letter permitting early partial repayments, you may repay early any part of the *balance owing* at any time if you either:

- a) give us at least one month's written notice; or
- b) pay us the one month's interest on the amount repaid that we would have received if you had given us one month's written notice.

Each early repayment must be for a minimum amount of S\$10,000 (or where the repayment exceeds S\$10,000, multiples of S\$1,000).

With each early repayment, the *term* of the facility remains unchanged and the monthly installments payable by you will be reduced. We will give you notice of the reduced monthly installments. You will let us know if you prefer to maintain the same monthly installment and instead reduce the *term* of the facility.

7 Full Repayment

In addition to any provision in the facility letter permitting early full repayment, you may repay early the total amount owing at any time if you either:

- a) give us at least two months' written notice; or
- b) pay us the two months' interest on the amount repaid that we would have received if you had given us two months' written notice.

Fees and Charges

8 General

8.1 You agree to pay us the following fees (in addition to any other fees set out in the facility letter or that we specify from time to time):

- a) S\$400 processing fee (or such other fee we determine), plus all our *costs*, if you fail to satisfy all drawdown requirements or decide not to proceed with the facility;
- b) an administration fee for each time that we accept your request to convert to another HSBC *Property Loan* package for which you are eligible, which amount shall be at our discretion and which shall be notified to you at the time of your request;
- c) S\$200 variation fee each time we agree to a variation of any facility, which variation does not fall under sub-clause (b) above, at your request.

8.2 We may introduce new fees and charges (and vary existing fees and charges) at any time with at least 30 days prior notice to you. This may include new fees and charges as a result of regulatory change or the introduction or variation of government charges or duties.

8.3 Unless you have already paid them, you authorize us to debit fees and charges set out in this facility agreement to your account. We may do so on or after the date we pay them or the date they become due or payable by you or us (whichever is earlier). We need not notify you first.

9 Cancellation Fee

If the facility or any part of any unused portion of a *facility limit* in accordance with this facility agreement is cancelled for any reason whatsoever, you agree to pay us, on cancellation, the cancellation fee for that facility as set out in the facility letter. If your facility has a fixed *interest rate* you also may be required to pay us break costs (see "Break costs" below.)

If you cancel a facility you also agree to refund any subsidies we have provided to you under this facility agreement.

10 Break Costs

This clause 10 only applies to facilities with a fixed *interest rate*.

If during the period for which the interest rate is fixed for a facility:

- a) you repay early all or any part of the *total amount owing* for that facility; or
- b) you or we cancel that facility or part of the unused portion of its *facility limit*; or
- c) the *total amount owing* for that facility becomes repayable because you are in default,

we may suffer loss (which we call "break costs"). This loss usually arises because of changes in market interest rates between the start of the period for which the interest rate was fixed and the time when such an event occurs.

We calculate break costs as the difference, if positive, between:

- an amount calculated by reference to the rate equivalent to our cost of funds at the start of that period; and
- an amount calculated by reference to the rate equivalent to our cost of funds at the time the event occurs,

over the remainder of the period for which the interest rate was fixed. This is then discounted back to the net present value at the rate equivalent to our cost of funds at the time the event occurs.

Undertakings

11 The Property

- 11.1 If the facility letter states that the *property* is owner occupied, you agree to ensure that it remains owner occupied unless we agree otherwise. If we do agree otherwise, it may be on any conditions we require including varying the *interest rate* or requiring any additional *security interest* (such as an assignment of rental proceeds).
- 11.2 You agree not to raise any financial accommodation (other than the facilities) for purchase of the *property*.
- 11.3 You shall seek our prior consent in writing for any intended reconstruction or addition and alteration to be made to the *property*. You agree to supply us with all related documents and/or additional security interest (such as Contractor's All Risk Policy and Performance Bond) required by us.

12 Information

If we ask, you agree to supply us with any information about or documents relating to:

- a) any *arrangement with us*; or
- b) any *secured property*; or
- c) your financial affairs or business or, if you are a corporation, the financial affairs or business of any *third party security provider*.

In addition, you will provide us with such assistance as may be necessary (including, where relevant, the provision of identification documents) to enable us to meet our *Compliance Obligations*.

13 Authorizations

You and each *third party security provider* agree to obtain, renew on time and comply with the terms of each authorization necessary for you and each *third party security provider* to enter into the *arrangements with us*, observe obligations under them and allow them to be enforced.

14 Insurance

- 14.1 You and/or each *mortgagor* agrees to maintain a *fire insurance policy* over the *property* with our appointed insurer at your cost. The *fire insurance policy* shall:
- a) cover fire, flood and other usual risks we require and must be for an amount we require;
 - b) provide for our interest as mortgagee/loss-payee; and
 - c) include a non-cancellation clause endorsed thereon.
- 14.2 The sum insured:
- a) for any property governed by the Land Titles (Strata) Act, shall be the lower of reinstatement value or the balance owing for the account for the mortgage facility in connection with which the security is provided; or
 - b) for property not governed by the Land Titles (Strata) Act, shall be equal to the reinstatement value.
- 14.3 You and/or each *mortgagor* authorize us to arrange the *fire insurance policy*. However, we are not liable for any loss caused by us doing so (including if the risks or amount covered are inadequate). The *fire insurance policy* shall be effected upon the first drawdown of the facilities or any part thereof. If the property is under construction, the *fire insurance policy* will be issued only after we receive a copy of the *temporary occupation permit*.
- 14.4 We shall be entitled to debit at any time without prior notice, any of your account(s) with us (whether held solely or jointly) for payment of any outstanding insurance premium. If you fail to purchase or maintain the insurance required by clause 14.1, we may, and you authorize us to, purchase such insurance as may be necessary to remedy any such failure and you shall indemnify us on demand against any costs or expenses incurred by us in purchasing such insurance. This authorization will remain in force until terminated by our written notice sent to your address last known to us or upon receipt of your written revocation through the relevant insurer.
- 14.5 Notwithstanding clause 14.1, you and/or each mortgagor may take up a *fire insurance policy* over the property with an insurer other than our appointed insurer subject to clause 14.1a), b) and c) and the following conditions:
- a) a letter of undertaking in respect of the *fire insurance policy* being signed and submitted by you and/or each mortgagor and received by us;
 - b) our prior written approval being obtained; and
 - c) the original *fire insurance policy* and premium paid receipt being received by us.
- 14.6 You and/or each *mortgagor* authorize us to disclose your respective contact details, identification information and/or other relevant personal data to the relevant insurer appointed by you for the purpose of administering, maintaining and managing the *fire insurance policy*.

15 Valuations

- 15.1 We may obtain a valuation report on any *secured property* at any time. You agree to pay us all *costs* in connection with the valuation.
- 15.2 Any valuer we may use is an independent contractor and is not our agent or employee. We are not responsible for any representation, action or inaction by them.
- 15.3 Each *mortgagor* agrees to do everything to assist with preparation of the valuation report including ensuring access to the *property*.
- 15.4 Where the *property is a HDB property*, you must obtain a valuation conducted for *HDB* dated not more than 3 months from the date of the facility letter and this valuation must be acceptable to *CPF Board* (where applicable). Where the property is resale HDB property, you must provide us with the confirmation of value issued by HDB dated no more than 3 months from the date of the facility letter. You agree to pay us all costs in connection with any revaluations (if any) required by *CPF Board*.

16 Security Margin

If, at any time, the *market value* is less than the amount we consider provides us with an acceptable security margin, or in our opinion, the *secured property* materially decreases from its value at the date of this facility agreement or the *secured property* becomes less saleable than its saleability at the date of this facility agreement, we may do any one or more of the following:

- a) reduce the *facility limit*;
- b) require you to provide additional *security interests* to us (in form and substance satisfactory to us);
- c) require you to repay part or all of the *total amount owing* for all facilities on demand.

Default

Clauses 17 and 18 do not apply to Overdrafts as those facilities are repayable at any time on demand. This does not affect any other right we have in connection with any Overdraft.
--

17 When are you in default?

If any of the following events or circumstances arise or occur, you will be regarded as being in default:

- a) you do not pay on time any amount payable under an *arrangement with us* in the manner required by it; or
- b) you do not observe any obligation given under an *arrangement with us*; or
- c) you are, or a *third party security provider* or another person is, in default under any *arrangement with us* or an event of default, however described, occurs under an *arrangement with us*; or
- d) you give, or a *third party security provider* or another person gives, us incorrect or misleading information (such as financial statements) in connection with an *arrangement with us* or you have withheld any information that might have caused us not to enter into any *arrangement with us*; or
- e) a writ of seizure or sale is issued against, or any distress or execution is levied on or issued against, any of your assets or the assets of a *third party security provider*; or
- f) legal proceedings of any kind are commenced (or threatened) against you or any *third party security provider* which, in our opinion, may have a material adverse effect on your or a *third party security provider's* ability to observe obligations under this facility agreement or another *arrangement with us*; or
- g) we receive written notice of your lack of capacity under the Mental Capacity Act (Cap. 177A) of Singapore (or such other equivalent, amendment or replacement legislation) or you die or you suffer from any disability that would result in your inability to observe obligations under this facility agreement or another *arrangement with us* (or any of these things happens to a *third party security provider*); or
- h) you are or become, or a *third party security provider* is or becomes, insolvent or any step is taken to make you or a third party security provider insolvent; or
- i) a liquidator, receiver, administrator, administrative receiver, nominee, supervisor, compulsory manager, judicial manager, provisional supervisor or other similar officer, is appointed to you (or a *third party security provider*) or, over all or any part of your (or a *third party security provider's*) assets or business (or any step is taken to do so); or
- j) an *arrangement with us* is, becomes or is claimed to be illegal, void or unenforceable or any *security* does not have or loses the priority it is intended to have; or
- k) a change occurs in your or a *third party security provider's* financial circumstances which, in our opinion, may have a material adverse effect on your or a *third party security provider's* ability to observe obligations under this facility agreement or another *arrangement with us*; or
- l) we believe on reasonable grounds that urgent action is necessary to protect any *secured property* or our interest in the *security*, or a notice or proposal for compulsory acquisition of all (or any part of) the property is issued; or

- m) in our opinion, the use of the *secured property* or a proposed change in the use of the *secured property* has or may have a material adverse effect on the value of the *secured property* as compared to the value of the *secured property* as at the date of this facility agreement or renders or may render the *secured property* less saleable than its saleability at the date of this facility agreement; or
- n) you are, or a *third party security provider* is, placed under judicial management (or any steps are taken to do so); or
- o) either you or a *third party security provider* is a corporation and a change takes place in your or the *third party security provider's* directors, shareholders, management or operating environment; or
- p) you do not, or a *third party security provider* does not, meet all your or their monetary obligations (whether present or future) on time or within any applicable grace period or any of these obligations become, or can be rendered, payable early otherwise than at your or the *third party security provider's* election; or
- q) purchase of the *property* by the *mortgagor* is not completed (for any reason) within the time specified in the contract for sale or is otherwise terminated; or
- r) any event occurs or circumstances arise which we reasonably determine give grounds for believing that it would no longer be prudent to continue to make the facility or facilities available to you; or
- s) any of the events or circumstances set out in clause 34.4 (c)(i)-(iii) arises or occurs.

18 What we can do?

If you are in default:

- a) we no longer need provide any facility; and
- b) the sum of the *total amount owing* for all facilities is payable on demand.

Default Interest

19.1 From the time any amount is overdue for payment until it is paid, you must pay interest at a higher rate, the *default rate*, on the overdue amount.

These interest charges are calculated daily or at any other intervals we choose.

19.2 Unless otherwise indicated, the default rate for a facility shall be the interest rate set out in the facility letter plus 3% per annum (or such other default rate we determine).

19.3 You agree to pay interest owing under this clause when we specify.

19.4 Each month (or any other period we choose) we may add to the overdue amount any interest under this clause which has not been paid. You are then liable for interest under this clause on the total amount.

19.5 Your obligation to pay on time is not cancelled by the provisions of this clause.

Other Terms

20 Other Costs and Indemnities

20.1 You agree to pay:

- a) our reasonable costs in arranging (including searching *insolvency, property, cause books* and writ of seizure and sale records), administering (including giving and considering consents, variations, discharges and releases, producing title documents, or enforcing, attempting to enforce or taking any other action in connection with our rights) and terminating any *arrangement with us*; and
- b) all taxes, fees, and charges payable in connection with any *arrangement with us* and any transaction under it and any interest, penalties, fines and expenses in connection with them.

You agree to pay these amounts when we ask. We can also debit any of these amounts to your account even if we do not expressly ask you to pay.

20.2 You indemnify us against, and therefore you agree to pay us on demand for, liability, loss or costs we suffer or incur:

- a) if you default under an *arrangement with us*; or
- b) in connection with any person exercising, or not exercising, rights under an *arrangement with us*; or
- c) in connection with any *arrangement with us* or any *secured property*; or
- d) if *taxes* are required to be paid on any amounts payable by you or any *third party security provider* in connection with any *arrangement with us*; or
- e) in connection with a drawing which you request not being provided in accordance with your request for any reason (other than our default).

20.3 Anything you are required to do under an *arrangement with us* is at your cost.

21 Reduction of Facility Limit

- 21.1 If, at any time, we determine that the *adjusted purchase price* is lower than that stated by you, we reserve the right to reduce the *facility limit*.
- 21.2 We reserve the right to review or alter the *facility limit* at our discretion and shall give prior written confirmation to you in such event and any decision of ours shall be final and conclusive on you.
- 21.3 In the case of a *Property Loan* used for refinancing, we may vary the *facility limit* after we have determined the total amount of *CPF savings* used to purchase the *property* and make payments to any prior mortgagee of the *property*.

22 General Provisions in Relation to Payments and Accounts

- 22.1 Unless we agree otherwise, all payments you are required to make to us must be effected by debiting an account you have with us. We may debit any account you have with us (whether in Singapore or elsewhere).
- 22.2 You agree to ensure sufficient funds are in your account to satisfy all payments you are required to make to us. If there are insufficient funds in your nominated account, we may choose not to debit that account at all. (If that occurs, interest at the *default rate* accrues on the whole of the overdue amount. See "Default interest" above.)
- 22.3 Unless otherwise specified in the facility letter, if the first *drawdown date* under a facility secured by *private property* occurs from the 1st up to and including the 5th of a month, you agree to make the first repayment on the first day of the next month. If the first *drawdown date* for that facility occurs on any other date during a month, you agree to make the first repayment on the first day of the second month following the first *drawdown date*.
- You agree to make all subsequent repayments on the first day of each following month until the end of the *term*.
- 22.4 Repayments on a facility secured by *HDB property* are debited on or around the 15th day of each month.
- 22.5 We reserve the right to vary the instalment amount for any reason (including if the *interest rate* changes or you make an early repayment). We will give you notice of any new instalment amount.
- 22.6 We may use any payment we receive in connection with a facility to reduce the *balance owing* for that facility or to repay any other amounts which you owe us in connection with that facility in any order we choose.
- 22.7 We may assign any date we consider appropriate to a debit or credit to an account (except that, in the case of a debit, the date must not be earlier than the date on which the relevant transaction occurs). However, we credit payments to an account as soon as practicable after we receive them.
- 22.8 If an amount is due on a day which is not a *business day*, you agree to pay it on the next following *business day*.
- 22.9 You consent to any third party deposit credited to any account you have with us. However, we may refuse to accept any deposit from either you or any third party which may breach any law.
- 22.10 You agree to pay us all amounts you owe us in full without set-off, counterclaim or deduction. However, we may set-off against amounts you owe us any money we owe you.
- 22.11 If at any time the facility is in a currency that is different from the currency in which your salary is paid or from which you repay the facility, then there is a risk that changes in the exchange rate will affect the balance owing and the amount of your interest and principal payments. If this applies to you, you should regularly check the exchange rate to ensure that you are still comfortable with the balance owing and with the amount of interest and principal you pay. If you are not comfortable then you may want to consider reducing the facility limit, re-financing the facility or repaying it early. You should also consider speaking with an independent financial adviser before making changes to your mortgage arrangements.

23 Discharge of the Mortgage

When the *total amount owing* under the *facility* has been fully repaid and any other facilities secured by the property has been terminated, you are required to discharge the mortgage promptly. You agree to pay all *costs* and expenses relating to the discharge of the mortgage and to appoint a law firm approved by us to complete the discharge of the mortgage within the stipulated timeframe in our notice to discharge the mortgage. If the discharge of the mortgage is not completed within the stipulated timeframe for any reason whatsoever, you agree to pay us an administrative fee and other expenses incurred for safekeeping of the title deeds and any other legal documents, applicable and prevailing at the time of such discharge of the mortgage or such other amount as we may in our discretion impose. We are not obliged to release the title deeds or other documents to you unless such administrative fee and other expenses incurred by us have been paid in full.

General Matters

24 Joint Borrowers

24.1 If there are more than one of you:

- a) the facility letter and this facility agreement apply to all of you together and to each of you on your own;
- b) any notice or instruction given to us and any request for or acceptance of variations to the facility letter or this facility agreement by any one of you shall be binding on the rest of you;
- c) any notice or demand or other communication given by us to any one of you shall be deemed to have been served on all of you; and
- d) we may at our discretion in any case require any notice, instruction, request or acceptance to be confirmed by all persons who are borrowers and/or mortgagors under the facility letter.

25 Notices and Other Communications

25.1 The Bank may accept instructions from you by way of Electronic Equipment in accordance with the terms set out in the Terms and Conditions governing Personal Deposit Accounts. Save as set out above, notices, certificates, consents, approvals and other communications in connection with this facility agreement must be in writing. If you are a corporation, communication must be given by a director or another person we approve.

25.2 All notices, requests, instructions, demands and other communications may be served by personal delivery, ordinary post, facsimile transmission, short message service (SMS), electronic mail or by way of any electronic equipment to your last known address (whether within or outside Singapore and whether such address is a Post Office Box or is a place of residence of business) and/or facsimile or contact number as you may have provided to us or our solicitors.

25.3 They take effect from the time they are received unless a later time is specified in them.

25.4 If they are sent by ordinary post in Singapore, they are taken to be received on the day immediately after the date of posting. If they are sent by post outside of Singapore, they are taken to be received five days after the date of posting.

25.5 If they are sent by a fax machine, short message service (SMS), electronic mail or by way of any electronic equipment, they are taken to be received on the date of transmission or publication.

25.6 We shall not be liable in any way whatsoever to you for any loss or damage in the event any communication is received by a third party.

25.7 This clause 25 applies to *third party security providers* as if each reference to "you" is a reference to the *third party security provider*.

26 Change of Address

You and each *third party security provider* agree to notify us before you, or they, change address.

27 Certificates

We may give you a certificate about a matter or about an amount payable in connection with this facility agreement. The certificate is conclusive evidence of the matter or amount, unless it is proved to be incorrect.

28 Prompt Performance

If this facility agreement specifies when you must perform an obligation, you agree to perform it by the time specified. You agree to perform all other obligations promptly.

29 How we may exercise our rights

29.1 We may exercise a right or remedy or give or refuse our consent in any way we consider appropriate, including by imposing conditions.

29.2 If we do not exercise a right or remedy fully or at a given time, we can still exercise it later.

29.3 We are not liable for loss caused by any delay in documentation or funding, us acting in accordance with any communication from you, the exercise or attempted exercise of, failure to exercise, or delay in exercising, a right or remedy.

29.4 Despite any other provision of this facility agreement, we need not do anything in connection with this facility agreement (including funding a drawdown) if it is impossible to act due to any cause beyond our control (including war, riot, natural disaster, labour dispute, or law taking effect after the date of this facility agreement). We are not responsible for any loss or expense suffered or incurred by you or any *third party security provider* as a result of our not acting for so long as an impossibility continues.

29.5 Our rights and remedies under this facility agreement:

- a) are in addition to other rights and remedies given by law independently of this facility agreement and any rights we may have under any other *arrangement with us*; and
- b) may be exercised even if this involves a conflict of duty or we have a personal interest in their exercise.

29.6 Our rights and remedies under this facility agreement may be exercised by any of our directors, any employee we authorize or any other person (including any agent or contractor) we authorize.

30 Rights of Third Parties

30.1 Except to the extent expressly set out in this facility agreement, a person who is not a party to this facility agreement has no rights under the Contracts (Rights of Third Parties) Act (Cap 53B) to enforce or benefit from any term of this facility agreement.

30.2 The consent of any person who is not a party to this facility agreement is not required for any variation (including any release or compromise of liability) or termination of this facility agreement.

31 Indemnities

The indemnities in this facility agreement are continuing obligations, independent of your other obligations under this facility agreement. It is not necessary for us to incur expense or make payment before enforcing a right of indemnity conferred by this facility agreement.

32 Variation and Waiver

32.1 A provision of this facility agreement, or right created under it, may not be waived except in writing signed by the party or parties to be bound.
