AXA Wanderlust Travel Insurance Pandemic Cover (including Covid-19) Endorsement (for policies issued or commencing 1 July 2021 or later)

This Endorsement sets out the scope of what You are covered and not covered for with regard to a Pandemic.

Your Policy has been expanded to cover You for some benefits in respect of claims relating directly to a Pandemic (which would otherwise have been excluded after COVID-19 was declared a known event). Please note that this Endorsement will attach to and form part of Your Wanderlust insurance policy with effect from 1 July 2021.

Except as they are specifically modified by this Endorsement, all other terms and conditions of the Policy shall remain unchanged and continue to be binding on all persons insured under the Policy. To the extent that any term or condition in the Policy may be inconsistent with this Endorsement, the terms of this Endorsement shall prevail.

Any claim paid under this Endorsement will not be paid under the main cover (or Part C) of the Policy for the same benefit. For the avoidance of doubt, no benefit under the main cover (or Part C) of the Policy is payable in respect of any claim that is related to or in any way connected with a Pandemic.
