

HSBC QuickFX  
Invest

FX on the go,  
at your preferred rates.

Monitor FX rates easily with your watchlist

Log in  
with your Personal Internet Banking  
details or biometrics.

Select 'Market' on the bottom navigation.

Select '+'  
Add a currency pair.

Select the two currencies in your desired currency pair.

Your currency pair is now added to your watchlist.  
Tap on "<" to return to watchlist.

Tap on 'Set my benchmark'.

Set your desired benchmark,  
then select 'Confirm'.

Your benchmark for the currency pair is now set.

Keep up-to-date with the latest market news

Select 'Insights' on the bottom navigation.

Access to the list of FX news  
and insights.

Select the article.

Read the article on the go.
