## **B. General Terms and Conditions**

1. Only personal accounts are eligible. HSBC Account User Agreement, Investment Terms and the relevant product terms (collectively, the **"Account Terms"**) will apply to govern deposit, investment accounts and the relevant product respectively. In the event of any conflict or inconsistency between these Promotional Terms and Conditions and the Account Terms, in respect of this Promotion, the Promotional Terms and Conditions shall apply to the extent of the conflict or inconsistency.
2. We shall be entitled to a reasonable period of time to process instructions and we may not complete a transaction on the same day of receipt of the customer's application or instructions. We shall not be liable for any loss or damage resulting from any such delay in effecting instructions or transactions.
3. We may determine in our reasonable discretion whether any given customer is eligible for this Promotion and/or whether such customer has met all of the relevant requirements under these Promotional Terms and Conditions.
4. All transactions in a currency other than Singapore Dollars (**"SGD"**) will be notionally converted into SGD, at our prevailing exchange rate, to determine the transaction amount eligibility under this Promotion. The date on which the transaction is booked will be used for the purpose of determining the notional conversion rate into SGD for all transactions in a currency other than SGD. Where we are unable to provide a firm exchange rate quotation, we shall effect the transaction on the basis of a provisional exchange rate which shall be subject to adjustment when the actual exchange rate is ascertained and any resultant difference shall be debited/credited (as the case may be) to the customer through the originating account or any account that customer has with us or by such other means as determined by us. There may be a gain or loss when customers convert foreign currency. Customers are advised to make independent judgment with respect to any matter contained herein. For the avoidance of doubt, we shall not be liable for any delay in effecting such conversion, instructions or transactions.
5. We may revise these Promotional Terms and Conditions (including but not limited to varying the promotional mechanics under this Promotion or the Promotional Period), or withdraw or alter any part of this Promotion at any time, with reasonable prior notice to you.
6. These Promotional Terms and Conditions shall not, nor shall any part of it, form the basis of, or be relied on in connection with, any transaction whatsoever. The specific financial objectives, personal situation and particular needs of any person have not been taken into consideration. You should therefore not rely on it as advice. You may wish to seek advice from a financial consultant before undertaking any transaction. In the event that you

choose not to seek advice from a financial consultant, you should consider whether the transaction in question is suitable for you.

7. In broad terms “**ESG and sustainable investing**” products include investment approaches or instruments which consider environmental, social, governance and/or other sustainability factors to varying degrees. Certain instruments we classify as sustainable may be in the process of changing to deliver sustainability outcomes. There is no guarantee that ESG and Sustainable investing products will produce returns similar to those which don’t consider these factors. ESG and Sustainable investing products may diverge from traditional market benchmarks. In addition, there is no standard definition of, or measurement criteria for, ESG and Sustainable investing or the impact of ESG and Sustainable investing products. ESG and Sustainable investing and related impact measurement criteria are (a) highly subjective and (b) may vary significantly across and within sectors.

HSBC may rely on measurement criteria devised and reported by third party providers or issuers. HSBC does not always conduct its own specific due diligence in relation to measurement criteria. There is no guarantee: (a) that the nature of the ESG / sustainability impact or measurement criteria of an investment will be aligned with any particular investor’s sustainability goals; or (b) that the stated level or target level of ESG / sustainability impact will be achieved. ESG and Sustainable investing is an evolving area and new regulations are being developed which will affect how investments can be categorised or labelled. An investment which is considered to fulfil sustainable criteria today may not meet those criteria at some point in the future.

When we classify an investment product or service against our ESG and Sustainable Investing (SI) categories described in this document: ESG Enhanced, Thematic or Impact, this does not mean that all individual underlying holdings in the investment product or portfolio will meet the relevant SI criteria. As such, an SI classification does not mean that all underlying holdings in a fund or discretionary portfolio meet the relevant sustainable investment criteria. Similarly, where an equity or fixed income investment is classified under an Enhanced, Thematic or Impact category this does not mean that the underlying issuer’s activities are fully sustainable. Not all investments, portfolios or services are classifiable under our SI categories. This may be because there is insufficient information available or because a particular investment product does not meet HSBC’s SI classifications criteria.

8. **Deposit Insurance Scheme**  
Singapore dollar deposits of non-bank depositors are insured by the Singapore Deposit Insurance Corporation, for up to S\$100,000 in aggregate per depositor per Scheme member by law. Foreign currency deposits, dual currency investments, structured deposits and other investment products are not insured.
9. These Promotional Terms and Conditions are governed by the laws of the Republic of Singapore and the parties submit to the non-exclusive jurisdiction of the courts of Singapore.
