

## HSBC Everyday Global Account

This is Amy.

Oh... And Amy's not too fond of banking.

(No I'm not)

But with her Multi-currency HSBC Everyday Global Account, she can now send *hong bao* to her sister Sally who's getting married in London and in Pounds.

(Faster Global Money Transfers)

Aww... what a lovely couple.

(I'm so happy for you, sis!)

(Aw... thanks Amy!)

And also USD to her little brother, Allan, in L.A, for a dapper suit he really likes.

(Hi Allan)

(Hey Sis)

(Really?)

(Yeah why not? You're my little brother)

(You're the best!)

And send RMB to her parents in Shanghai almost instantly for their daily expenses.

(That's fast) *\*in Mandarin\**

(Thanks sweetheart) *\*in Mandarin\**

She can send money globally with faster fee-free transfers.

And with her HSBC Everyday Global Account she can do all this while earning cashback from daily transactions with HSBC Everyday+ rewards programme.

And put it towards whatever she likes.

Amy isn't fond of banking.

But thanks to her HSBC Everyday Global Account
